

## Steam's Play of the Day

Gulfstream Park: Wednesday, December 5, 2018

Race: 9

Post Time: 4:36 P.M. (Eastern)

I'll take a shot with (#5) **BARGAINAIRE** in Wednesday's ninth in Hallandale Beach, an open \$16,000 claiming event for two-year-old fillies featuring a well-matched field of 12. This chestnut daughter of Super Saver broke her maiden by open lengths for a \$16K price tag at Gulfstream Park back in the summer, and she was getting to fellow entrant and likely favorite (#8) **JERSEY ROSE** in the final stages of her last start at Gulfstream Park West—her first against winners. She was claimed out of that race by trainer Yvon Belsoeur, whose outfit hits at a healthy 28 percent clip (large sample size) off the claim, and she should relish the extra sixteenth of a mile in this six-furlong affair. She figures to get a great trip stalking the pace under jockey Luis Saez and is an enticing 9-2 on the morning line. I'll play (#5) **BARGAINAIRE** to win and place at odds of 3-1 or greater and use her in vertical exotic wagers with (#6) **SKY RUN**, (#8) **JERSEY ROSE**, and (#10) **COUNTRY GIRL SHIRL**. —JG
